Colors from the certified color sample board are included in the specific exterior pricing (Status: April 2022). Colors not listed in the certified color sample board require additional certification and are at extra charge.
Not every color can be certified.
Actual product color may vary from images shown due to photographic lighting conditions, monitor and/or print settings.
Diamond Aircraft cannot guarantee that the color you see on screen or in print portrays the true color of the product.

Colors from the certified highlight color sample board are included in the specific exterior pricing (Status: April 2022). Highlight colors not listed in the certified highlight color sample board require additional certification and are at extra charge. Highlight colors are applicable to the highlight line only and not the plane itself. Not every color can be certified.
Actual product color may vary from images shown due to photographic lighting conditions, monitor and/or print settings.
Diamond Aircraft cannot guarantee that the color you see on screen or in print portrays the true color of the product.

DIAMOND MYO (Make Your Own)

Express yourself! Make your own Diamond Aircraft Exterior by customizing it to your needs and requirements. Be unique as you wish and choose almost any color and exterior design. Make it sophisticated, crazy, let it fit your car or company branding. Make your own Diamond and be the head turner on the runway.

Customized exterior designs (Diamond MYO) and colors are subject to limitation as per the Aircraft Maintenance Manual. For further information, please contact your dedicated sales representative.
Paint scheme by Kirk Smith, Digital Artist and winner of the DA50 Exterior Design Competition 2019. Propeller colors do not show standard colors.

INTERIOR DESIGN OVERVIEW

WELCOME ABOARD

You and your passengers enjoy everything the extra large cabin is offering – just like the cabin of our marvelous twin-engine DA62: generous front seats with adjustable backrests, a 60/40 split folding three seat second row bench, easy access through the large gull wing doors and cargo door and exceptional leg, shoulder and head room. Luxury features abound throughout, including premium interiors in several styles, colors and materials, LED interior lighting and many optional features.
